

REGAL MAID SERVICE

KEEP CALM AND INVEST IN REGAL

Regal Maid Service offers an exciting opportunity for people looking to buy a business with a proven track record and unlimited earning potential. This is your opportunity to own a business with a "British Approach to Cleaning".

Regal Maid Service is an upscale residential cleaning service that has been established for over 20 years.

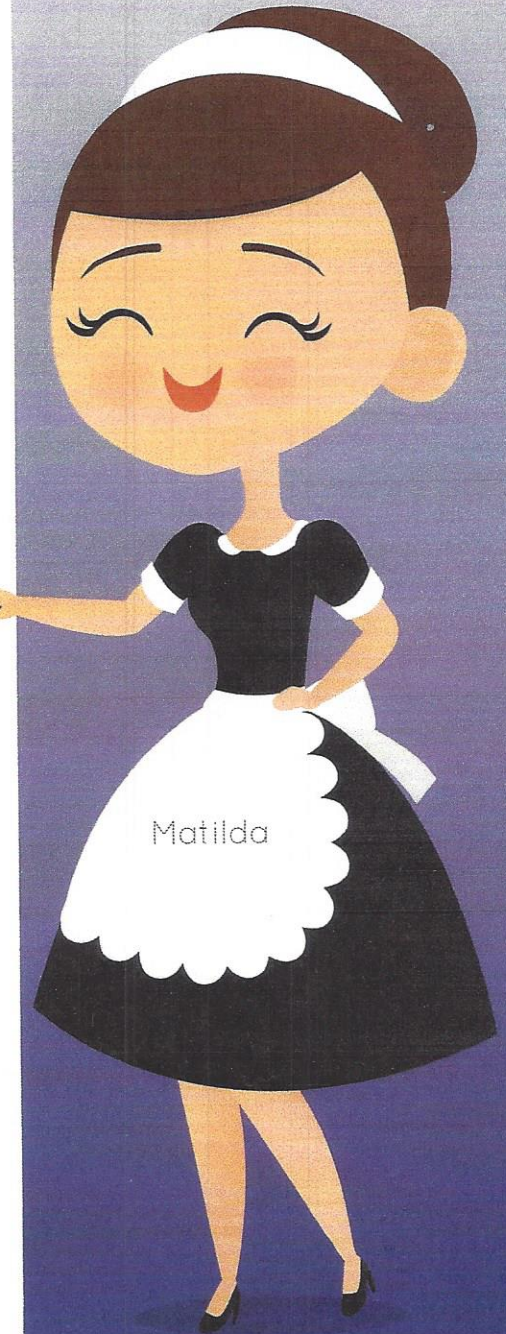

As the owner, you will employ and manage uniformed staff, working in teams of two, who travel between homes in marked company cars. The clear separation of management and employee roles emphasizes the professionalism of the service that is dependable, reliable and trustworthy. These qualities are the key factors in growing a customer base and maintaining customer loyalty.

The staff cleans to a system designed and refined over the years to combine speed with efficiency allowing for maximum utilization of the workforce.

Regal Maid Service cleans homes on a weekly, bi-weekly and monthly schedule thus ensuring repeat business. As an added benefit, payment is due at the time of service eliminating the cash flow problems that many new businesses face.

The user-friendly estimating system means that the service can cater to the demands of the most exacting client by identifying their key concerns. As well as providing personal in home estimates for potential clients you will also visit the homes of existing customers from time to time to carry out quality control checks. This double point of contact ensures customer satisfaction at every stage.

Our "British" version of the white glove treatment is translated into the highest level of customer service we deliver to each and every one of our customers.
